WHAT THE FARMER SAW.  
These ladies down upon the beach,  
Jeminy! How they eye you!  
They're sure to say you are a peach.  
And do their best to guy you.  
Upon the sand all day they lie,  
A-firtin' with their fellows,  
In bathin' suits that's shockin' high,  
And gay with reds and yellows.  
One gal that's there is just the boss,  
She's always gay and talkin'.  
One night she gave her head a toss,  
And then she went a-walkin'.  
"Come, love, out in the stilly night,  
My only love!" she hollered;  
And all the boys that was in sight  
Arose en masse and followed!

HONESTY REWARDED.

The Ledger Has a Ten-Dollar-Bill  
Awaiting Colonel Mose Hull.

It pays to advertise—and find things.

Circus Day—everything in the way of mis-  
hap now dates from the Barnum-Bailey Show—  
Mr. George W. Riffe of West Union, O., was  
one of many thousands who came to Maysville  
to see the camels and the clowns, and like scores  
of other visitors also, he became unoccupied from  
a large bill book.

In this book were many papers of value to  
Mr. Riffe, and he offered through THE LEDGER  
a reward of \$10 for its return.

The day following the advertisement Mr.  
Moses Hull of the Sixth Ward towed the book  
into this office.

And yesterday Mr. Riffe came over and was  
made happy.

And if Mr. Hull will drop in he will find one  
of Uncle Sam's great big sawbucks awaiting  
him.

It pays to—if you don't believe it, ask Mr.  
Riffe or Mr. Hull.

CHALMERS T. WEST.

At 1:30 p. m. yesterday, at the home of his  
parents at Meyers occurred the death of Mr.  
Chalmers T. West.

The announcement of the passing away of  
Mr. West will be learned with the deepest re-  
gret by his scores of friends in this city, where  
in the past few years he had resided. He was  
a young man of sterling worth, of steady hab-  
its, and who, by his own efforts, was making  
his way in the world.

Mr. West had for several years been con-  
nected with the Internal Revenue Service of  
the Seventh Kentucky District.

For a term he was Stamp Deputy under Col-  
lector Sam J. Roberts, at the close of which he  
served as Storekeeper-Gauger.

He was a victim of consumption and early  
in July left Maysville for a trip to Colorado,  
hoping the change would benefit him.

After a three months stay in that state and in  
Kansas, his health gradually declining, he re-  
turned home, and for the past two weeks had  
been at the home of his parents at Myers.

Besides his parents, Mr. West is survived by  
his wife and one son, Barbour Russell West.

He was a member of DeKalb Lodge No. 12,  
I. O. O. F., and of Wyandotte Tribe No. 3, I. O.  
R. M. of this city.

Up to the hour of going to press THE LEDGER  
has not been able to ascertain the funeral ar-  
rangements.

ATTENTION, REDMEN.

Called meeting of Wyandotte Tribe No. 3 at  
2 o'clock tomorrow afternoon to make arrange-

RUGS To Enthuse  
Over.....

The point we particularly wish to impress, is that this Rug  
Sale is THE occasion of October. At the new prices at which we  
have marked these Smyrnas Wiltons Axminsters and Brussels they  
are veritable bargains. Patterns, colors, qualities are the best im-  
aginable. The reason for these stirring price reductions, is because  
in securing the stock of George Cox & Son we bought at a figure  
that enables us to step many notches below the regular price level.  
And remember if a bare spot in your house is yearning to be covered  
with a handsome rug, that you will have to delve deeper into your  
pocket to get rugs of these qualities, if you go elsewhere now, or  
wait to buy them later. All sizes and styles but the following at  
bargain prices in some sizes only:

BEST SMYRNA RUGS—18x36 in. \$1 now 75c. 30x60 in.

Do Good—It Pays.

A Chicago man has observed that "Good deeds  
are better than real estate deeds—some of the latter  
are worthless. Act kindly and gently, show  
sympathy and lend a helping hand. You cannot  
possibly lose by it." Most men appreciate a kind  
word and encouragement more than substantial  
help. There are persons in this community who  
might truthfully say: "My good friend, cheer up.  
A few doses of Chamberlain's Cough Remedy will  
rid you of your cold, and there is no danger what-  
ever from pneumonia when you use that medicine.  
It always cures. I know it, for it has helped me  
out many a time." Sold by J. Jas. Wood & Son.

The readers of this paper will be pleased to learn

science has been able to cure in all its stages and  
that is catarrh. Hall's Catarrh Cure is the only  
positive cure now known to the medical frater-

quires a constitutional treatment. Hall's Cat-

upon the blood and mucous surfaces of the system,  
thereby destroying the foundation of the disease,  
and giving the patient strength by building up the  
constitution and assisting nature in doing its work.

HENRY FARLEY, a Walking Delegate, who is waiting trial on an indictment for perjury, alleged to have been committed in testimony he gave during the trial of SAMUEL PARKS, is announced by The New York World to have made a startling confession.

Numerous cases are enumerated in his statement of Walking Delegates in New York City and surrounding towns having successfully conspired to extort money from contractors and builders to avoid strikes or have them called off. The cases are related in minute detail.

FARLEY asserts that in one instance \$50,000 was procured from W. E. D. STOKES to stop interference with the building of the Ansonia Hotel at Seventy-third street and Broadway.

The confession was made to District Attorney JEROME in the presence of several assistants. Its telling occupied many hours. FARLEY asserts that the perjury with which he is charged was committed at the instance of a prominent lawyer. It consisted in his swearing that PARKS and he did not meet at any time on a day during which the prosecution had asserted that PARKS received \$200 from a Brooklyn contractor to avoid a strike. FARLEY admits, it is said, that the money was given in his presence, first in the form of a check, which was refused, and later in cash.

FARLEY was indicted after the Parks trial and remained for some weeks in prison while his wife suffered from lack of the necessities of life. He was released on bail after the return of PARKS from the Kansas City Convention, and, through an understanding with the District Attorney's office, his trial on the perjury charge has been postponed until the next term of Court. He said his confession was given purely to relieve his conscience, and was only accepted by the District Attorney in that spirit and with the distinct understanding that it did not involve immunity.

The District Attorney is in possession of the name of the attorney in the case, together with the names of all the Walking Delegates alleged to be involved and disbarment proceedings are promised in connection with the other developments.

The emigrants via Hamburg and Bremen during the seven months ended July 31, 1903, numbered 205,168, against 170,932 during the same period of 1902. About 90 per cent. of this exodus comes to the United States. Germany furnished but a small part to this contingent, the bulk coming from Bohemia, Hungary, Roumania and Russia.

Dieting Invites Disease.

To cure Dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one craves to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by J. Jas. Wood & Son, Druggists.

MRS. IDA McDONALD,  
Supreme Deputy of the Maccabees of the World.

MRS. McDONALD, No. 477 Beaubien Street, Detroit, Mich., is a prominent woman who was greatly benefited by the great woman's medicine, Wine of Cardui. Mrs. McDonald is the supreme deputy of the Maccabees of the World, and one of the most widely known women in the United States. Thousands of women gather to hear her lecture everywhere she goes. The great work she has done for the Maccabees is appreciated by every member of the order. She was so absorbed in her work that she neglected to give her health proper care—failed to take warning that the symptoms of approaching kidney trouble gave her, the sallow complexion and torpid liver. But Wine of Cardui cured her the same as it has cured thousands of others and Mrs. McDonald has written this letter in order that other suffering women may secure from Wine of Cardui the same relief she got from it.

Mrs. Ida McDonald.

that I must do something to regain my health. A friend advocated your Wine of Cardui treatment so strongly that I decided to try it, although I had little faith in patent medicines. I am now very thankful that I did so, for within ten days blessed relief came to me, and in less than three months I was cured, and have enjoyed fine health ever since. I know there is nothing better for a sick woman who wishes to enjoy perfect health and am very pleased to give my hearty endorsement.

No suffering woman can afford to ignore such a letter as Mrs. McDonald writes. Her plans and advice have proved valuable in building up one of the greatest women's organizations in the United States and she takes time to give advice which she knows will help you.

Do not delay in securing this medicine. There is nothing to gain and everything to lose by delay. The choice is before you. Will or will you not secure relief now by taking Wine of Cardui? All druggists sell \$1.00 bottles of Wine of Cardui as well as 25c packages of Thedford's Black-Draught.

PLENTY OF IT.

Lots More Proof Like This, and It Is All From Maysville People.

"The proof of the pudding is in the eating of it." If any city or town in the Union has sufficient proof on the following subject it is Maysville. Genuine merit is finding its reward in the hearty indorsement of local citizens. When people right here at home, friends and neighbors of our readers, give a statement like the following for publication it is proof convincing for the most skeptical. Read this testimony:

Mr. A. W. McClanahan of 119 West Second street says:

"The use in my case fully demonstrated the value of Doan's Kidney Pills. I suffered more or less from kidney trouble for twenty years, steadily becoming more persistent as time passed on. My attention was called to Doan's Kidney Pills and I got a box at J. James Wood & Son's Drugstore, corner of West Second and Market streets. The treatment so greatly benefited me that my only regret is that I did not know of this valuable remedy years ago, for had such been the case I would have been saved much suffering."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Stoop-Shoulder Months

One doesn't have to worry much about children getting round shouldered as long as they are out doors all the while. It is when they are inside, exercising less and bending over desks, that the injury is done. For this reason this is an especially timely season to put shoulder braces on the child that shows signs of stooping. It is folly to wait until the habit is fixed. We have the kind you should use, the ones universally conceded to be the best.

### Chicago Business Man Cured

Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago, June 11, 1902.

### Cured His Wife

E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

### One Bottle Cured Him

A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."

## \$3000 Forfeit

The above will cheerfully be paid in lawful money of the United States, by the undersigned, proprietors of Doctor Pierce's Golden Medical Discovery, if they cannot show the original signature of the individual volunteering the testimonial below, and also of every testimonial among the thousands which they are constantly publishing attesting the superior curative properties of their several medicines, and thus proving the genuineness and reliability of all the multitude of testimonials volunteered by grateful people, in their behalf.

WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, Buffalo, N. Y.

**THE REASON.**—There is no medicine equal to Doctor Pierce's Golden Medical Discovery, for purifying the blood. It carries off the poisons which contaminate the life fluid. It increases the activity of the blood-making glands and gives the body an increased supply of pure, body-building blood. It builds up the body with sound, healthy flesh instead of flabby fat, promotes the appetite, feeds the nerves, and so gives to weak nervous people vitality and vigor.

"This is to certify that I have used Dr. Pierce's Golden Medical Discovery and think it's the greatest medicine in the world," writes Mrs. F. M. Young, of Weir, West Va. "I took down sick six months ago and called in our physician and he gave me medicine but I grew worse. He said I had dyspepsia in its worst form. I decided to try your medicine and began to improve. I used five bottles, two of the 'Golden Medical Discovery' and three of 'Favorite Prescription,' and now I am doing my own housework. A number of my lady friends also are using Dr. Pierce's medicine and they recommend it highly. May God bless and prosper you in your grand work."

To gain knowledge of your own body—in sickness and health—send for the People's Common Sense Medical Adviser. A book of 1008 pages. Send 21 cents in stamps for paper-covered, or 31 stamps for cloth-bound copy. Address Dr. R. V. Pierce, 563 Main Street, Buffalo, N. Y.

#### CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion and a regular use of German Syrup.

Free expectoration in the morning is made certain by German Syrup; so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

## "Nothing More to Pay"

That's what he said and further, he (Mr. Ebe Walter, of Clarksville Del.), said this:

The feature that I particularly like about my policy is that the longer I live the more I get, and that during the balance of my life, there is nothing more for me to pay.

The fact is that a Fifteen-Year Distribution Policy, issued by The Mutual Life Insurance Company of New York is a very interesting document. A yearly dividend, increasing each year after the policy is paid up—a sum paid the estate, and options which make it almost like handling so much cash and yet keeping it for your heirs at the same time.

In writing for information about a policy of this kind, state what you would like to receive in cash at the end of limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.
